

# Baseline Survey Completion Responses

Kelsey Dowling

2024-01-19

Table 1: Total Participants Included in this Report, by Site

Site	n <sup>1</sup>
HealthPartners	1,952
Henry Ford Health System	1,219
Kaiser Permanente Colorado	1,872
Kaiser Permanente Georgia	697
Kaiser Permanente Hawaii	634
Kaiser Permanente Northwest	2,021
Marshfield Clinical Health System	911
Sanford Health	554
University of Chicago Medicine	1,093
sum	—
	10953

<sup>1</sup>The participants included in this report are active, verified, and have completed their User Profile between January 1, 2023 and October 1, 2023. Those who have refused baseline surveys or who have withdrawn from the cohort are excluded

Table 2. Baseline Survey Email Reminders Evaluation, All Sites

<sup>1,2</sup>	n	%
<b>Sent reminder email Contact 1</b>	10953	100%
Survey Completed before Contact 1	6396	58.4 %
Survey Completed after Contact 1, before Contact 2	608	5.6 %
<b>Eligible for reminder email Contact 2</b>	3949	36.1 %
<b>Sent reminder email Contact 2</b>	2360	59.8 %
Survey Completed after Contact 2, before Contact 3	487	20.6 %
<b>Eligible for reminder email Contact 3</b>	1873	79.4 %
<b>Sent reminder email Contact 3</b>	1493	79.7 %
Survey Completed after Contact 3, before Contact 4	121	8.1 %
<b>Eligible for reminder email Contact 4</b>	1372	91.9 %
<b>Sent reminder email Contact 4</b>	1283	93.5 %
Survey Completed after Contact 4, before Contact 5	52	4.1 %
<b>Eligible for reminder email Contact 5</b>	1231	95.9 %
<b>Sent reminder email Contact 5</b>	1185	96.3 %
Survey Completed after Contact 5, before Contact 6	91	7.7 %
<b>Eligible for reminder email Contact 6</b>	1094	92.3 %
<b>Sent reminder email Contact 6</b>	860	78.6 %
Survey Completed after Contact 6	111	12.9 %

<sup>1</sup>Baseline survey completed means submitted Modules 1-4. Counts as 'completed' on the date the last of the four modules was submitted.

<sup>2</sup>Reminders are not sent to participants who refuse baseline survey, refuse all future activities, withdraw, are deceased or request suspended contact. This may account for small discrepancies between the number eligible for a reminder and the number sent.
