

# Baseline Survey Completion Responses

Kelsey Dowling

2024-01-24

Table 1: Total Participants Included in this Report, by Site

Site	n <sup>1</sup>
HealthPartners	1,999
Henry Ford Health System	1,240
Kaiser Permanente Colorado	1,881
Kaiser Permanente Georgia	699
Kaiser Permanente Hawaii	637
Kaiser Permanente Northwest	2,026
Marshfield Clinical Health System	936
Sanford Health	556
University of Chicago Medicine	1,101
sum	— 11075

<sup>1</sup>The participants included in this report are active, verified, and have completed their User Profile between January 1, 2023 and October 1, 2023. Those who have refused baseline surveys or who have withdrawn from the cohort are excluded

Table 2. Baseline Survey Email Reminders Evaluation, All Sites

<sup>1,2</sup>	n	%
<b>Sent reminder email Contact 1</b>	11070	99.95 %
Survey Completed before Contact 1	2785	25.1 %
Survey Completed after Contact 1, before Contact 2	1343	12.1 %
<b>Eligible for reminder email Contact 2</b>	6947	62.7 %
<b>Sent reminder email Contact 2</b>	7053	101.5 %
Survey Completed after Contact 2, before Contact 3	785	11.1 %
<b>Eligible for reminder email Contact 3</b>	6268	88.9 %
<b>Sent reminder email Contact 3</b>	6229	99.4 %
Survey Completed after Contact 3, before Contact 4	1124	18 %
<b>Eligible for reminder email Contact 4</b>	5105	82 %
<b>Sent reminder email Contact 4</b>	5045	98.8 %
Survey Completed after Contact 4, before Contact 5	562	11.1 %
<b>Eligible for reminder email Contact 5</b>	4483	88.9 %
<b>Sent reminder email Contact 5</b>	4462	99.5 %
Survey Completed after Contact 5, before Contact 6	586	13.1 %
<b>Eligible for reminder email Contact 6</b>	3876	86.9 %
<b>Sent reminder email Contact 6</b>	3894	100.5 %
Survey Completed after Contact 6	690	17.7 %

<sup>1</sup>Baseline survey completed means submitted Modules 1-4. Counts as 'completed' on the date the last of the four modules was submitted.

<sup>2</sup>Reminders are not sent to participants who refuse baseline survey, refuse all future activities, withdraw, are deceased or request suspended contact. This may account for small discrepancies between the number eligible for a reminder and the number sent.
